RE: ^{PR} NPRM DOCKET 92-289

DEAR SIRs:

I LIVE IN ARLINGTON, TX AND AM VERY ACTIVE ON 222 TO 225 MHZ. I'VE NEVER HAD A SSB SIGNAL ON 220 IN THE DALLAS/FT WORTH AREA. I HAVE BEEN ACTIVE ON 220 FOR THE PAST 6 YEARS. I MUST DISAGREE WITH MAKING A MANDATORY SSB PORTION FOR 222.0 TO 222.15. EACH LOCAL AREA SHOULD BE ALLOWED TO PROVIDE THEIR OWN BAND PLAN TO SUIT THEIR LOCAL NEEDS. IT IS NOT A DX BAND. THE NEEDS OF THE MANY, IN DIFFERENT LOCAL AREAS. SHOULD NOT BE DICTATED BY ONE SPECIAL INTEREST GROUP.
